March Birthdays

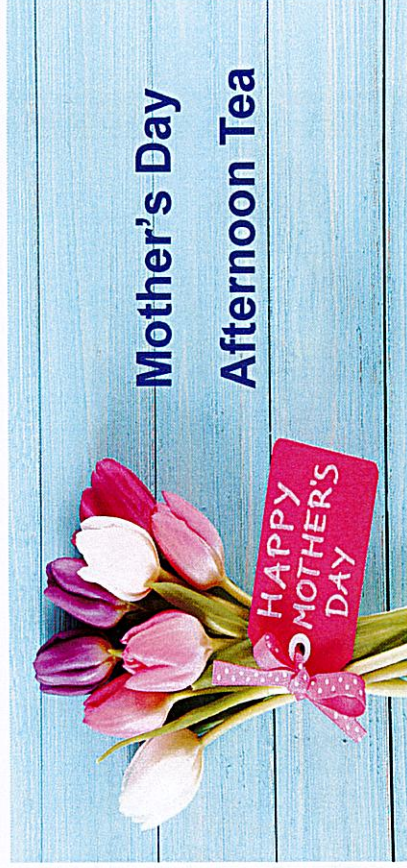

Welcome to our monthly newsletter! This is for the benefit of our residents & visitors. Copies will be distributed to resident's on the first day of every month. Further copies will be available to family at the front of the home. We will also be making it available online at www.bramptonlodge.com. We try & encourage for those who can, to view it online, in order to go more paperless & help the environment. If you require large print, please ask Claire who can arrange this. We hope you enjoy reading our news & please give feedback if there is anything else you wish to see in our newsletters!

New Staff & Resident's To Welcome

Please welcome Charis who is our new work placement volunteer. She is studying Health & Social Care NVQ2 at Canterbury College. She will be here Monday's & Tuesdays

Mother's Day Afternoon Tea

We will be arranging another Mother's Day Afternoon Tea this year as this was so successful last year. We will be inviting families to come in & join their mother's for afternoon tea. The invitations will be going out as an E invitation for families who prefer liaising via email. If families and friends of

resident's could reply via the E invitations to Dyanne & Lynne that would be really helpful. Unfortunately we are receiving RSVP's from families sometimes a day before the event which means we have to find extra seating & food at short notice.
